Invited Talks:

Cohen, C.M.S., Connecting SEPs to Solar Observations, SHINE Workshop, 2015.

Cohen, C.M.S., Understanding the Variation of Solar Energetic Particle Composition with Longitude, Lorentz Center Workshop on Shock Acceleration: From the Solar System to Cosmology, 2015.

Cohen, C.M.S., Understanding the Composition of Solar Energetic Particle Events, UCLA Seminar, 2014.

Cohen, C.M.S., What Can We Learn from the Longitudinal Dependence of Solar Energetic Particle Composition?, JPL Seminar, 2014.

Cohen, C.M.S., Introduction to SEPs, *Guest Lecturer*, University of New Mexico, 2009.

Cohen, C.M.S., How Do We Explain the Enhanced Fe/O at High Energies in Large SEP Events?, *COSPAR*, 2004.
Christina M. S. Cohen
